

Wheat Ridge Parks & Recreation YOUTH SOCCER COVID-19 SAFETY PROTOCOL

1. DO NOT ATTEND TEAM ACTIVITIES if you or your child do not feel well or has had any of the following symptoms within the last 24 hours:
 - *100.4 or above temperature*
 - *Cough (not associated with allergies or other known medical condition)*
 - *Shortness of breath*
 - *Chills*
 - *Muscle aches*
 - *Sore throat*
 - *New loss of smell or taste*
2. All coaches, spectators and officials must wear a mask/cloth face covering while within a 6 feet radius of others.
3. Friends and family may attend practice sessions under the current LEVEL BLUE guidelines. Total capacity at any given field is limited to 50.
4. Pre-event and post-event gatherings are prohibited. Please don't mingle after games and practices. Depart the program area promptly to avoid crowding.
5. Parents and spectators are asked to maintain 6 feet distance between households/family units while attending any team activity.
6. Players age 11 and older must wear a mask/cloth face covering while on the sideline, in team huddles or meetings or when not participating and within 6 feet of others.
7. Players are not required to wear a mask/cloth face covering while engaged in physical activity during games and practice sessions.
8. Players may not share water bottles at any time.
9. To avoid crowding on game days, all home games at Wheat Ridge fields will be scheduled with 30 minutes between games to allow for prompt arrival/departure to and from the field.
10. For away games, please follow protocol/restrictions for each site or location.
11. Soccer activities held on Jeffco School property have tighter restrictions. Temperatures checks before entering school property are required and masks must be worn at all times. Please contact your coach for details.
